ENGINEERING SOLUTIONS FOR INDUSTRIAL INDIA

02 COMPANY OVERVIEW

About MME Private Limited

MME Private Limited is a dynamic, engineering, construction and infrastructure company delivering comprehensive Civil, Mechanical and Electrical solutions across India's core industrial and infrastructure sectors.

OUR PURPOSE
To deliver engineering solutions that build progress and create lasting value.

OUR VISION
To be a trusted and preferred partner in industrial and infrastructure development across India.

OUR MISSION
To achieve excellence through innovation, safety, quality and collaboration.

> "We build not just structures, but a stronger and more sustainable tomorrow.

OUR CORE VALUES

INTEGRITY
We do what is right, always.

EXCELLENCE
We set high standards in everything we do.

TEAMWORK
We grow stronger together.

SUSTAINABILITY
We build for future generations.

STRONG LEADERSHIP
Guided by experience, driven by vision.

SKILLED WORKFORCE
Building excellence with talent.

LASTING PARTNERSHIPS
Together for greater success.

SUSTAINABLE GROWTH
For a better tomorrow.

03 CHAIRMAN'S MESSAGE

BUILDING TRUST. CREATING VALUE. SHAPING A STRONGER TOMORROW.

At MME Private Limited, we believe that infrastructure is the foundation of a stronger and more prosperous India. Our focus has always been on delivering engineering excellence, creating sustainable value, and building long-term partnerships with our clients, partners and society.

We are committed to quality, safety, innovation and timely execution in every project we undertake. With a dedicated team, strong technical capabilities and a customer-centric approach, we continue to grow and take on new challenges across India's industrial and infrastructure sectors.

As we move forward, our goal remains the same – to contribute to the nation's development by building reliable, efficient and sustainable infrastructure for future generations.

Mr. Pradeep Sharma
Managing Director

> "We build not just structures, but a stronger and more sustainable India."

PEOPLE
Our greatest asset.

SAFETY
Our top priority.

QUALITY
Our commitment in every project.

PROGRESS
Our direction for the future.

04 LEADERSHIP TEAM

STRONG LEADERSHIP. SHARED VISION. SUSTAINABLE GROWTH.

Our leadership team brings a strong combination of industry experience, strategic vision and operational excellence, driving MME Private Limited towards new milestones.

Mr. Pradeep Sharma
Managing Director

With a strong vision and deep industry knowledge, Mr. Pradeep Sharma leads the organization with a focus on growth, operational excellence and long-term partnerships.

Mr. Ankit Singh
Executive Director

Mr. Ankit Singh drives strategic planning, business development and innovation, strengthening MME Private Limited's position in the industrial and infrastructure segments.

VISION
To be a trusted leader in industrial construction and infrastructure.

EXCELLENCE
Delivering quality through expertise and innovation.

PARTNERSHIP
Building long-term relationships with clients and stakeholders.

SUSTAINABILITY
Creating value for a stronger tomorrow.

05 OUR EXPERTISE

COMPREHENSIVE SOLUTIONS FOR INDUSTRIAL AND INFRASTRUCTURE PROJECTS

At MME Private Limited, we offer end-to-end civil, mechanical and electrical construction solutions tailored to the unique requirements of industrial and infrastructure projects. Our expertise, experience and resources enable us to deliver complex projects with precision, safety and efficiency.

CIVIL CONSTRUCTION

- Industrial Buildings
- Process Foundations
- Silos, Bunkers & RCC Structures
- Plant Infrastructure
- Roads, Drains & Utility Works
- Structural Concrete Works
- Earthwork and Site Development

MECHANICAL CONSTRUCTION

- Equipment Foundations
- Support Structures
- Material Handling Structures
- Structural Steel Erection
- Mechanical Plant Civil Works
- Industrial Maintenance Support

ELECTRICAL CONSTRUCTION

- Power Distribution Systems
- Substation Civil Works
- Cable Trenches & Duct Banks
- Control Room Buildings
- Electrical Equipment Foundations
- Earthing and Lighting Systems
- HT/LT Infrastructure Support

INDUSTRIAL MAINTENANCE

- Plant Maintenance Civil Works
- Equipment Support Structures
- Modification & Rehabilitation Works
- Shutdown Support
- Industrial Manpower & Skilled Labour
- Repair & Restoration
- Preventive Maintenance Works

OUR SECTOR EXPERTISE

06 WHY CHOOSE US

DELIVERING RELIABILITY. ENSURING VALUE. BUILDING LONG-TERM PARTNERSHIPS.

At MME Private Limited, we combine technical expertise, industry experience and a commitment to quality to deliver innovative and cost-effective solutions for complex industrial and infrastructure projects. Our client-centric approach, safety-first mindset and disciplined execution make us a preferred partner across India.

EXPERIENCED TEAM
Skilled professionals with deep industry knowledge and proven track record in industrial projects.

SAFETY FIRST
A strong safety culture with strict compliance to all statutory and client safety standards.

QUALITY ASSURANCE
Commitment to high-quality workmanship, robust systems and continuous improvement.

INNOVATIVE SOLUTIONS
Adopting modern technology and best practices to deliver efficient and sustainable solutions.

CLIENT FOCUS
Building long-term relationships through transparency, reliability and timely delivery.

COST EFFECTIVENESS
Optimized planning, resource management and value engineering to ensure competitive solutions.

SUSTAINABILITY
Environment-friendly practices for a cleaner, safer and greener tomorrow.

PAN-INDIA CAPABILITY
Ability to mobilize and execute projects across India in diverse industrial environments.

OUR STRENGTH KEY DIFFERENTIATORS

- **16+ YEARS** INDUSTRY EXPERIENCE
- **MULTI-SECTOR EXPERTISE** CEMENT | POWER | STEEL & MORE
- **PAN-INDIA PRESENCE** PROJECT EXECUTION CAPABILITY
- **TRUSTED BY CLIENTS** FOR QUALITY, SAFETY & DELIVERY

07 OUR KEY STRENGTHS

A SOLID FOUNDATION FOR SUSTAINABLE GROWTH

Our strengths are built on experience, people, processes and a strong commitment to quality, safety and timely execution. These capabilities enable us to deliver complex industrial and infrastructure projects with confidence.

EXPERIENCED LEADERSHIP
Guided by industry experts with extensive experience in industrial construction and infrastructure.

SKILLED WORKFORCE
A dedicated and skilled team with technical expertise and on-ground execution capability.

STRONG SAFETY CULTURE
Zero compromise on safety with strict compliance to statutory requirements and best practices.

QUALITY FOCUS
Commitment to superior workmanship, robust systems and continuous improvement.

CLIENT-CENTRIC APPROACH
Building long-term relationships through transparency, reliability and timely delivery.

FINANCIAL DISCIPLINE
Strong financial planning and resource management to ensure cost-effective and efficient execution.

INNOVATION & TECHNOLOGY
Adopting modern construction methods, advanced tools and digital practices.

SUSTAINABLE DEVELOPMENT
Responsible construction with a focus on environment-friendly practices and community growth.

OUR STRENGTH IN NUMBERS

16+ YEARS INDUSTRY EXPERIENCE

INDUSTRIAL FOCUS CEMENT | POWER STEEL & MORE

SKILLED TEAM ENGINEERS TECHNICIANS & WORKERS

ON-TIME DELIVERY COMMITTED EXECUTION

08 OUR PROJECT EXECUTION PROCESS

PLANNED EXECUTION. MEASURABLE RESULTS.

At MME Private Limited, we follow a structured and systematic project execution process to ensure timely delivery, quality construction and complete client satisfaction. Our approach integrates planning, engineering, procurement, construction, quality control and project close-out with a strong focus on safety, sustainability and value.

01 PROJECT STUDY & PLANNING

- Requirement analysis
- Site evaluation
- Technical feasibility
- Resource planning

02 ENGINEERING & DESIGN

- Detailed engineering
- BOQ & cost estimation
- Methodology planning
- Risk assessment

03 PROCUREMENT & SUPPLY CHAIN

- Vendor selection
- Material procurement
- Quality verification
- Timely logistics

04 MOBILIZATION & SITE SETUP

- Manpower mobilization
- Equipment deployment
- Site infrastructure
- HSE induction & training

05 CONSTRUCTION & EXECUTION

- Civil, mechanical & electrical works
- Skilled workforce deployment
- Daily progress monitoring
- Strict quality & safety control

06 QUALITY CONTROL & INSPECTION

- Stage-wise inspection
- Material testing
- Compliance with standards
- Documentation & reporting

07 PROJECT MONITORING & REPORTING

- Progress tracking
- Schedule adherence
- Resource optimization
- Regular client updates

08 COMPLETION & HANDOVER

- Final inspection
- Punch list closure
- As-built documentation
- Client handover & support

SAFETY
Safety at every step of execution.

QUALITY
Committed to the highest standards.

EFFICIENCY
Optimized processes for timely delivery.

SUSTAINABILITY
Responsible construction for a better tomorrow.

09 OUR CORE SECTORS

FOCUSED EXPERTISE IN KEY INDUSTRIES

MME Private Limited delivers specialized construction and infrastructure solutions across major industrial sectors. Our deep industry knowledge, technical expertise and project execution capabilities enable us to meet the unique requirements of each sector with quality, safety and efficiency.

01 CEMENT PLANT

- Process buildings
- Foundation and structures
- Silos and storage facilities
- Conveyors and material handling
- RCC and structural works
- Plant civil construction
- Maintenance and shutdown support

02 POWER PLANT

- Civil and structural works
- Turbine and boiler foundations
- Chimney and cooling structures
- BOP buildings and control rooms
- Cable trenches and utilities
- RCC and steel structures
- Plant maintenance works

03 STEEL PLANT

- Industrial buildings and foundations
- Equipment foundations
- Material handling structures
- RCC and structural works
- Utility buildings and roads
- Steel structure erection support
- Maintenance and repair works

04 OTHER INDUSTRIES

- Industrial building construction
- Process structures
- Storage tanks and silos
- Pipe racks and corridors
- Roads, drains and external development
- RCC and structural works
- Industrial maintenance and manpower supply

SECTORS AT A GLANCE

CEMENT PLANTS
Greenfield & Brownfield Projects

POWER PLANTS
Thermal, Captive & Renewable Power Projects

STEEL PLANTS
Plant Buildings, Foundations & Support Structures

OTHER INDUSTRIES
Industrial Buildings, Process Structures and Utilities

10 QUALITY, HEALTH, SAFETY & ENVIRONMENT

SAFE WORK. QUALITY DELIVERY. RESPONSIBLE GROWTH.

At MME Private Limited, we are committed to highest standards of quality, health, safety and environment across all our projects. Our integrated QHSE approach ensures safe workplaces, superior workmanship and sustainable construction practices for a better tomorrow.

QUALITY ASSURANCE

- Adherence to project specifications
- Quality control at every stage
- Use of approved materials
- Continuous monitoring and improvement

OCCUPATIONAL HEALTH & SAFETY

- Safe work environment for all personnel
- Strict compliance with safety regulations
- Use of PPE and safety equipment
- Regular safety audits and inspections

ENVIRONMENTAL RESPONSIBILITY

- Minimizing environmental impact
- Proper waste management
- Efficient use of natural resources
- Promotion of sustainable practices

RISK ASSESSMENT & COMPLIANCE

- Identification and mitigation of project risks
- Compliance with statutory requirements
- Regular risk assessments at site
- Implementation of corrective measures

SITE TRAINING & TOOLBOX TALKS

- Regular safety training and awareness
- Toolbox talks on site-specific risks
- Skill development and capacity building
- Safety drills and emergency preparedness

INSPECTION & DOCUMENTATION

- Routine site inspections and checks
- Documentation of quality and safety records
- Non-conformance tracking and closure
- Continuous review and process improvement

QUALITY
Delivering excellence in every project.

SAFETY
People first, always.

ENVIRONMENT
Building a cleaner and greener tomorrow.

CONTINUOUS IMPROVEMENT
Learning today for a stronger tomorrow.

11 OUR RESOURCES

PEOPLE | PLANT & EQUIPMENT | MATERIALS | TECHNOLOGY

Our strong resources enable us to deliver complex industrial and infrastructute projects with efficiency, quality and reliability. We maintain a well-planned combination of skilled manpower, modern equipment, reliable material sourcing and advanced technical capabilities to meet project requirements across various industrial sectors.

01 MANPOWER RESOURCES

- Skilled and experienced workforce
- Engineers, supervisors and technicians
- Trained and certified workmen
- Adequate manpower mobilization across sites
- Regular training and skill development

02 PLANT & EQUIPMENT

- Earthmoving and material handling equipment
- Concrete batching and placing equipment
- Cranes, hoists, and lifting equipment
- Fabrication and welding equipment
- Tools, tackles and other construction equipment
- Well-maintained and regularly serviced fleet

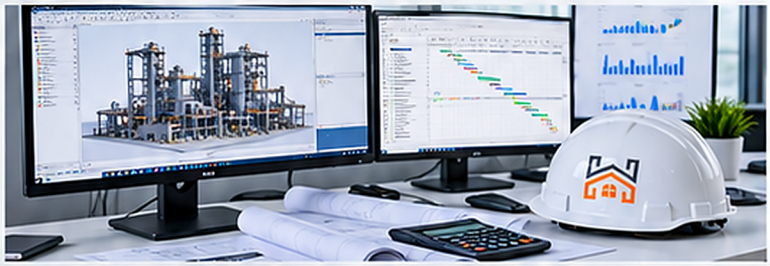

03 MATERIAL SOURCING

- Reliable network of approved vendors
- Quality materials as per project specifications
- Timely procurement and supply chain management
- Bulk purchasing for cost efficiency
- Strict quality checks and material traceability

04 TECHNICAL & SUPPORT RESOURCES

- Engineering and project planning support
- AutoCAD, Revit, STAAD Pro and MS Project
- Quality control and testing facilities
- Project management and reporting systems
- Dedicated support teams for procurement, finance, HR and administration

OUR STRENGTH IN RESOURCES

SKILLED MANPOWER
Trained, experienced and reliable team

MODERN EQUIPMENT
Well maintained and project ready

QUALITY MATERIALS
Reliable sourcing and timely supply

TECHNICAL EXPERTISE
Advanced tools and dedicated support

12 KEY PROJECTS

A STRONG TRACK RECORD OF EXECUTION

MME Private Limited has successfully executed various industrial and infrastructure projects across India. Our experience in cement plants, power plants, steel plants and other industrial sectors reflects our capability, commitment to quality and timely delivery.

14 QUALITY, HEALTH, SAFETY & ENVIRONMENT

RESPONSIBLE EXECUTION. CONSISTENT STANDARDS. SAFER SITES.

OUR COMMITMENT

We integrate quality checks, safe work practices and environmental care into project planning, site execution and handover.

01 QUALITY ASSURANCE

Approved procedures, inspections and records help verify that work meets project specifications.

02 HEALTH & SAFETY

Risk assessments, toolbox talks, suitable PPE and safe-work controls support site teams.

03 ENVIRONMENTAL CARE

Responsible waste handling, housekeeping and resource use support cleaner work sites.

04 COMPLIANCE & REVIEW

Applicable statutory requirements, corrective actions and management reviews strengthen delivery.

HOW WE APPLY IT ON SITE

1. **PLAN** — Identify risks and requirements
2. **EXECUTE** — Follow approved methods
3. **VERIFY** — Inspect and record results
4. **IMPROVE** — Close actions and learn

Quality • Safety • Compliance • Continuous Improvement

A practical commitment to dependable industrial project delivery

15 OUR STRENGTHS, GROWTH & FUTURE OUTLOOK

WHY CHOOSE MME PRIVATE LIMITED

Our strength lies in our experienced team, execution capability, strong systems and commitment to quality, safety and client satisfaction. We continue to build long term relationships and create sustainable value through efficient project delivery.

01 KEY STRENGTHS

EXPERIENCED LEADERSHIP TEAM
A strong leadership team with 16+ years of industrial project experience in cement, power and steel sectors.

SKILLED MANPOWER & RESOURCES
Access to skilled, semi-skilled and unskilled manpower with trained supervisors and site execution teams.

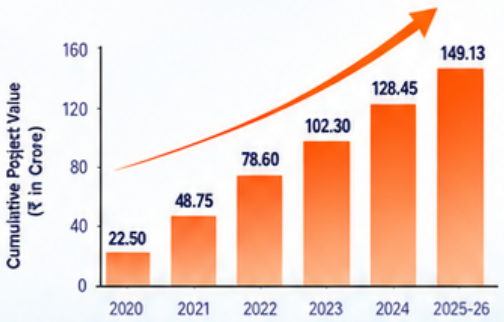

SPECIALISED IN INDUSTRIAL PROJECTS
Focused expertise in cement plants, power plants, steel plants and heavy industrial infrastructure.

QUALITY, SAFETY AND COMPLIANCE
Adherence to approved drawings, standards and statutory requirements with a strong HSE culture.

PROVEN PROJECT EXECUTION
Track record of timely execution with cost control, resource planning and effective project management.

STRONG CLIENT RELATIONSHIPS
Long-term associations with reputed clients with a focus on trust, transparency and consistent performance.

02 PROJECT PORTFOLIO GROWTH

16 COMPLETED PROJECTS	8 ONGOING PROJECTS	24 TOTAL PROJECTS
₹ 114.29 Crore Project Value	₹ 34.84 Crore Project Value	₹ 149.13 Crore Project Portfolio

03 FUTURE OUTLOOK

- Expand our presence in cement, power and steel sectors
- Strengthen long term relationships with existing clients
- Enhance capabilities through technology and skilled manpower
- Drive sustainable and environmentally responsible growth
- Focus on new opportunities in industrial infrastructure projects across India

01 OUR VALUED CLIENTS

- UltraTech Cement Limited
- Jindal Steel & Power Limited
- Larsen & Toubro Ltd.
- KEC International Ltd.
- Nuvoco Vistas Corp. Ltd.
